

**ALL IN WKND: Host Homes
Assignments**

Hello Parents!!

Thank you for taking this quick moment to read through this sheet as our mission for this is to give our families assurance as to where their students will be staying. As a part of Wedgwood Student Ministry, we dedicate ourselves to creating a Christ-centered ministry that creates a comforting and safe environment for our students. Which is why those who serve and volunteer with our ministry for ALL IN WKND are vetted and equipped in making your student(s) free from feeling uneasy and distress. All host homes are members of our congregation who have been checked, trained, and have served with our church years prior. They will be assisted by group leaders in monitoring and overseeing our students in integrity and accountability in the host homes. We do all that we can to create a safe environment for your student to enjoy and grow this weekend. If there are any questions or concerns for your student in staying in these host homes, please reach me and I will be happy to work with you in making your student enjoy this weekend. Thank you all for this time you have given us to invest in your students!
